TOWERING VISION UNFOLDS AN INSPIRING WONDER.

We started from far-stretched barren lands in Powai, years ago. The boundless vision of Dr. Niranjan Hiranandani and Mr. Surendra Hiranandani has turned every fragment of that parched land into a miraculous specimen of architecture. They gave Mumbai its finest township - Hiranandani Gardens, Powai, a neo-classical architectural marvel blessed with nature's bliss. An integrated life, where every aspiration gets fulfilled. It's a world of infinite possibilities that continue to create new experiences, and now, we proudly present our latest creation, Empress Hill. A realm that will witness the era of royalty, once again.
